Students who require specialized supports and services

Is your child currently identified as requiring specialized supports and services or identified with special education needs? _____ YES _____ NO

If YES, what is the Alberta Education coding? _____

Does your child currently have (or has had in the past) an IPP (Individualized Program Plan) LSP (Learner Support Plan)? _____ YES _____ NO

In Alberta, funding for students who require specialized supports and services, is assigned to the jurisdiction in which the parents/guardians of the student resides. Should students wish to attend Victoria School and are considered non-residents of Edmonton Public Schools, a sponsorship agreement may be required in order for the student to be considered for the Victoria School Program. This includes students who residence changes prior to the first day of school.

This is based on District policy, HEC.BP, and the *School Act* (Section 44).

If a sponsorship agreement is required, the parent/guardian must make arrangements with their resident board for sponsorship to our District.

For further information regarding sponsorship agreements, please contact the school administration.

I acknowledge the above information to be true, correct and complete and verify that all information contained in the application is correct. I consent to the release of information to allow school authorities to fulfill their obligation under the *School Act*.

FOIP Consent

Consent to post or publish student information

Victoria School is requesting your permission to use your child's personal information (i.e., image, grade and/or name, etc.) in public venues or on the Internet where the general public may have access to the information in order to communicate with parents, the community and the general public.

By signing this form, you are agreeing that your child's personal information may be used in the following ways by the school and school district. Examples include, but are not limited to:

- video recordings;
- displays;
- posting pictures, videos, podcasts or Presentations online;
- brochures, program booklets, newsletters or publications; and
- accessing and posting information to public websites or social media applications (e.g., FaceBook, Picasa, Flickr, YouTube, Twitter and other emerging technologies).

Classroom lessons may also be digitally recorded to provide material for staff development or to demonstrate good professional practices. These recordings may be shared with other educational organizations.

Some websites may require students to login and provide information such as their name, school and email address when they are sharing digital images, videos and presentations across the school district or on public websites.

By signing this form and returning it to the school, you are consenting to your child's information being used for these purposes. **If no form is returned, it indicates that consent was NOT given.**

Yes, I consent to my child's information being used for the above stated purposes.

To help ensure that you know and understand how your child's information may be used, the school administration and/or your child's teacher will continue to communicate with you and provide you with additional information on events and projects that your child may be participating in.

Consent is voluntary and you may withdraw your consent and request that personal information regarding your child be removed from sites that are administered by Edmonton Public Schools by notifying the school principal in writing. Please note that once photographs, student names and other identifying information is released in any public forum, Edmonton Public Schools cannot control or prevent the further distribution or use of the material by those who access the information. For more details on how personal information is used in Edmonton Public Schools, visit www.epsb.ca/datafiles/CollectionUseOfPersonalInfoGuide.pdf.

In accordance with the Freedom of Information and Protection of Privacy Act (FOIP), Edmonton Public Schools is authorized and required under the provisions of the School Act and its regulations to collect, use and disclose personal information that is necessary to provide educational programming and ensure a safe and secure school environment for students.

Media Consent Form

This form asks if your child can be interviewed, filmed or recorded by media outlets that have been invited to the school.

The District invites media to our schools to help share stories about school events, programs, goodwill initiatives or students. When possible, the school will notify parents when media will be on site.

Media requests are carefully considered by the Communications department and the school principal before being approved. Schools need consent from parents/guardians before allowing media to interview or take photos, video or audio of students at non-public events. This consent is only required if students could be interviewed, videotaped or photographed with their faces clearly shown.

News media reporting may include interviews with students, as well as photographs, video or audio to be shared in newspapers, magazines, radio or television programs, and online posts for websites or social media. The media coverage may be digitally manipulated, published, broadcast, re-broadcast or sold to other media outlets.
